It all began around a kitchen table in the fall of 2004. Downtown Dunn was growing and full of possibility! The corner of Broad and Wilson was coming available and offered a prime location in the heart of the downtown district. A lifetime dream was within reach. Jeff a self-taught gourmet, and Jamie, a waitress of 10 plus years, both brought ideas and experience "to the table". With the support of family and friends, in February, 2005, Broad Street Deli and Market, Inc. opened its doors. We are a family oriented and family focused restaurant-right down to our signature "Life of Riley" sandwich.

We prepare all meals to order with only the finest ingredients. Since each item is custom made substitutions are welcome. Please be patient as some items take longer to prepare than others. We truly hope you will enjoy your dining experience at Broad Street Deli and Market, Inc.
